Use your Visa® card when shopping online at Teva.com and receive 10% off your online purchase (full-priced items only).

They say “necessity is the mother of inventions.” Who would have thought that a river rafting guide, frustrated by the lack of a proper shoe to wear (after all, sneakers took days to dry out and flip flops kept sliding off your feet) would forever change the footwear world. By attaching an old Velcro watch strap to his flip flop, the Teva® Original was born! People around the world have accepted the invitation to adventure and adopted the “strap in and go,” spontaneous, go-anywhere, do-anything mentality that the Original stands for. Everything that we do, and everything we make is in service of the adventurous spirit, because we know that unscripted moments are the ones that turn into the best memories.
